Hello, Casorso families,

October has arrived and with it a change in the season – autumn colours and crisp mornings! Please ensure that your children bring that extra sweater or coat so that they can enjoy the outdoors on our school play area at lunch and recess.

On behalf of the entire Casorso Staff, we wish you hope, joy, peace, and good health for this Thanksgiving weekend and beyond. May your Thanksgiving Day be full of family, fun, and excitement...except for a couple of hours in there when you want to take a nap!

Partners for inclusive Education (PIE) is a welcoming online space committed to supporting parents/guardians to learn more about the how students with neurodiversity, disability, support needs and/or diverse abilities are supported in their neighborhood school.

PIE is a space where parents/guardians, staff and community come together as partners to champion inclusive education by learning and supporting each other as we navigate the school years together. We connect virtually five times a year offering workshops, speakers, and opportunities to connect with other parents/guardians.
