#### STEP IT UP: CASORSO WALKING CHALLENGE: Monday, April 29<sup>th</sup> to Friday, May 3<sup>rd</sup>

*Let's see how many steps Casorso students can walk in a week!*

Students in Grades 1 – 6 will receive a pedometer on Monday, April 29<sup>th</sup>. The goal is to try and walk as much as you can (students who bike or roll to school can convert their trip into steps). Classroom teachers will record students' steps each day, and the class with the most steps by Friday (May 3<sup>rd</sup>) wins! Prizes are being donated by the City of Kelowna, Casorso PAC and Peter Truch:

1<sup>st</sup> Place - Pool Party at H2O

2<sup>nd</sup> Place - Pizza Party

3<sup>rd</sup> Place - Pizza Party

#### MOVIE NIGHT: OLIVER AND COMPANY!

Our Grade 6 leadership group is organizing a movie night (from 2:45 pm to 4:30 pm) in the gym on Tuesday, May 7<sup>th</sup>. The funds raised will go to the BC Cancer Society. Admission is \$5.00, and candy bags and juice boxes will be available for \$1.00 each. All items (admission tickets, candy bags and juice boxes) must be purchased via School Cash Online <https://centralokanagan.schoolcashonline.com/> and can be purchased until Friday, May 3<sup>rd</sup>. For more information, please see the poster attached to this Howl.

# STP Follow-up Survey & Pollution Pit Stop

## Idling Awareness Campaign

For the school's staff, parents and students.

As part of the School Travel Plan (STP), you may have noticed several infrastructure improvements around the school in the past few years. We appreciate your feedback on the progress made through a follow-up survey. Also, as part of the STP action plan, we would like to bring idling awareness to the school community.

### WHAT IS IDLING? And why does it matter?

Idling refers to leaving a vehicle's engine running while stationary, such as during drop-offs and pickups. Not only does unnecessary idling waste fuel and contribute to air pollution, but it can also expose our children to harmful pollutants, impacting their health and air quality.

#### Did you know?

Air pollution is the most important environmental contributor to poor health and premature death

Source: Worldbank.org

### HOW YOU CAN HELP

Here's how you can get involved:

**Take the Pit Stop Pledge:** Join us by pledging not to idle when your vehicle is stopped for more than 60 seconds – except in traffic. By signing the pledge, you're contributing to cleaner air and giving your child's classroom a chance to win!

Invite friends and family to take the pledge from **April 26 to May 12, 2024**. Provide the school's name and your kids' grade. The grade with the highest number of pledges **will win a pizza lunch**.

**Participate in the Casorso Follow-up Survey:** Parents and staff, please share your thoughts on the progress. You can win a \$50 gift card. Open until **May 12, 2024**.

Visit the Pollution Pit Stop page for more information about the harmful impacts of vehicle idling and how you can help make a positive difference in our community.

### WHY YOUR PARTICIPATION MATTERS

We need your support to reduce idling and improve air quality around our school. Collectively, small changes can make a big difference. By reducing idling, we can:

- Contribute to healthier air for our children and our community
- Save fuel and money
- Reduce air pollution for a cleaner environment

# **TRAFFIC SAFETY AT CASORSO**

Dear Parents and Guardians,

Many of our students are making their own way to and from school each day, and therefore need to take great care when crossing roads and in the vicinity of traffic. It has come to our attention that there have been several recent incidents where commuters around the school have experienced our students making poor choices with respect to pedestrian safety. This message is a request that parents please take time to review all the safety tips and guidelines necessary to make the trip to and from school as safe as possible:

## **A Guide for Parents**

- Teach your child how to cross the street
- Ensure your child has identification and emergency numbers in their backpacks
- Practice with your child. Choose the safest route to school with the least number of crossings
- Practice what each street sign means on the route to school
- Observe what it is like to cross at the eye level of your child
- Walk where there is good visibility for your child to see traffic and to be sure the drivers can see your child
- Don't let your child walk alone until you feel they are ready

## **Safety Tips for Kids**

- Do not play on sidewalks
- Always look left, right, left before crossing
- Always wait until there is no oncoming traffic before crossing
- Walk, don't run across the street
- Wear bright colored clothes with reflective tape
- Pay close attention to your surroundings
- Walk with a buddy whenever possible
- Avoid using secluded shortcuts
- Cross at a cross walk and follow the instructions of the crossing guard or the walk/don't walk signal while preparing to cross the street
- Don't walk while using ear buds, texting, or doing anything else that may prevent you from hearing traffic or distract your attention
- If a car stops to ask for directions or for help finding a lost pet, never approach the vehicle
- Never take rides from strangers, or even people you know, without permission from your parents
- If someone calls out to you, approaches you, or makes you feel uncomfortable, quickly get to the nearest adult you trust and tell them what happened

**Thank you for helping keep everyone safe!**

## **HELP NEEDED FOR OUR UPCOMING SPRING SHOW!**

Mme Mireau and our Intermediate Students are in full production mode for our upcoming Spring Show, **"OLIVER! Junior"**! If you are able to help out, please consider volunteering with the following:

- We are looking for someone with a truck and small trailer/flat deck (about 15feet) to haul our equipment from CAS to the Church on Friday, May 10<sup>th</sup> and someone to do this on Friday, May 17<sup>th</sup> from the Church back to CAS.
- In addition, we need a few strong arms and backs to lift and load staging and risers at Casorso, and then unload them at Evangel Church the morning of May 10<sup>th</sup>. We will need the same or a second group of volunteers on May 17<sup>th</sup> in the morning to load staging and risers at Evangel and returning them back to Casorso. If you can be available to help out on both or either of these dates, please contact Kirsten at [kirsten.kurjata@sd23.bc.ca](mailto:kirsten.kurjata@sd23.bc.ca) or check in with the office or Mme Mireau.

Thank you so much for supporting our Spring Production!

### **Celebrating Earth Day in the Casorso Garden**

Our school celebrated **Earth Day** this week by spending some time out in our school garden. There was a lot to be done to prepare it for the upcoming growing season. Classes took turns weeding the garden boxes and doing a scavenger hunt to determine the differences between weeds and plants we want to keep. We already have a good crop of parsley that is almost ready to go.

There are a few things that we could use your help with...

- If anyone is handy, **two of the boards need replacing**
- We are in need of **1 yard of Glengrow** from the City of Kelowna landfill if you have the time and a truck
- If you have **extra seeds or seedlings** you would like to share, please send them with your child.
- We are looking for a **support structure** for beans and peas

In order to maintain the garden over the summer months, we would like to propose and pilot more of a "community" garden plot where families sign up to maintain the garden and enjoy the bounty that it will bring. This would be similar to the Community Gardens that are throughout the city. Many families do not have access to garden space for vegetables, so this would be the perfect option and a wonderful family learning experience.

If you have any of the items we are looking for, or are interested in signing up to be part of our community garden for the summer, please email Leigh-Ann Yanow at [leigh-ann.yanow@sd23.bc.ca](mailto:leigh-ann.yanow@sd23.bc.ca).

## CENTRAL OKANAGAN PUBLIC SCHOOLS' INDIGENOUS EDUCATION COUNCIL

The Central Okanagan Public Schools' Indigenous Education Council is seeking two (2) interested Indigenous parents, family members, or caregivers to serve as members of the Indigenous Education Council (IEC) and support the restart of the Indigenous Parent and Family Council. **Please see the attached letter to learn more about the IEC and Parent and Family Council.**

The Royal Soccer Club, a registered non-profit community organization, is proud to host their 32<sup>nd</sup> annual grassroots summer day camps. The program is designed to promote personal development, team building and of course, FUN! Uniquely designed to offer a more soccer focused morning with a leisure swim with other organized activities in the afternoon. The program operates during all weeks in July and August for children aged 5 to 13. For more information or to register, visit [royalsoccerclub.com](http://royalsoccerclub.com) or call 1-800-427-0536. Also, see the poster attached to this Howl.

### **Way' Indigenous Parents, Family Members, and Caregivers,**

The Central Okanagan Public Schools' **Indigenous Education Council** is seeking two (2) interested Indigenous parents, family members, or caregivers to serve as members of the Indigenous Education Council (IEC) and support the restart of the Indigenous Parent and Family Council.

For context, the First Nations Education Steering Committee (FNESC) and the Ministry of Education and Childcare have introduced new legislation (Bill 40), which includes the requirement for public school boards to establish an **Indigenous Education Council (IEC)** in their respective school districts. In the Central Okanagan, we are pleased to share that the IEC has been a functioning and productive Council since 2003.

The current IEC is comprised of representation from Westbank First Nation, Okanagan Indian Band, Kelowna Metis Society, Ki-Low-Na Friendship Centre, and Lake Country Native Association. For many years, two Indigenous parent representatives have been a part of the IEC. Since COVID, there has not been an Indigenous parent representative on the IEC. The voices of parents, family members and caregivers are important and needed on this Council. The Council, currently chaired by Westbank First Nation Councilor, Jordan Coble, and co-chaired by Westbank First Nation Youth and Recreation Manager, Nicole Werstuik, meets approximately 7-8 times per year, during the day. Typically, meetings are 2-4 hours in length. Additional meetings may be scheduled as necessary to carry out the Council's responsibilities. The Elder representative and the Indigenous parent, family member, or caregiver representative receives a \$200.00 honourarium per meeting.

The Indigenous Education Council advocates for Indigenous interests in the design, implementation, and assessment of educational programs and services that will improve the school experience and academic achievement of Indigenous students (K-12). The Council is committed to setting the conditions for each Indigenous learner to thrive, holistically ~ academically, emotionally, spiritually, and physically.

**IEC members cannot be employees of Central Okanagan Public Schools.**

Indigenous parent, family, or caregiver representatives on the Indigenous Education Council will also support the restart of the District's **Indigenous Parent and Family Council** by encouraging Indigenous parents to participate in monthly evening meetings 6-8 times per year. Although honourariums are not provided for Indigenous Parent and Family Council meetings, there is a budget to support meeting expenses.

To express interest in serving as a Parent, Family, or Caregiver representative on the Indigenous Education Council, please complete the survey found here [IECSURVEY](#).

For more information, please contact Jesse Bruce @ [jesse.bruce@sd23.bc.ca](mailto:jesse.bruce@sd23.bc.ca).

Sincerely,

Ann Bell, Indigenous Education Council - representative for Lake Country Native Association
