STUDENT ACCIDENT INSURANCE

Central Okanagan Public Schools does not insure expenses for **student injuries** that occur on school grounds or during school activities. Parents and guardians can voluntarily purchase private accident insurance. The Kids Plus Accident Insurance Program that was previously offered to our students was discontinued in 2019. The IA Financial Group now offers the Family Accident Reimbursement Plan (FARP) which is a voluntary plan that provides coverage for students and their families against accidental injury, unexpected medical expenses, and critical illness. To apply for the Family Accident Reimbursement Plan or to find out more, click [here](#).

SCHOOL DISTRICT'S APPEALS PROCESS

Board Policy 460 – Appeals states that, “A student or a parent of a student who is entitled to an educational program in the Central Okanagan Public Schools may appeal a decision of an employee of the Board of Education which significantly affects the education, health or safety of the student”.

For a complete description of the Appeals Policy along with the recommended steps to follow in attempting to solve a problem, please refer to Policy 460 – Appeals, that can be accessed from the ‘Board Policies’ link under the Board of Education heading on the School District homepage – www.sd23.bc.ca.

School District's Financial Hardship Clause

Within Board Regulation 425R – Student Fees (see www.sd23.bc.ca), the Board of Education has indicated "that a student will not be excluded from any educational program due to financial hardship". Clause 8.5 in the Regulations states: "Principals are directed to establish a procedure in each school which will allow for the private and confidential consideration of financial circumstances of individual students and families. Such procedures will preserve the dignity of families who may be unable to pay".

Please contact the school Principal if you are facing a financial hardship that may restrict the ability of your child to access a school program.

August 26th, 2024

Dear Casorso Community:

We are excited for the new year of school and want to ensure our families are aware of some of the important safety changes in terms of transportation to and from school.

1. **Parking Lot:**

Our parking lot is only available for staff, daycare providers and families who have a disability parking pass. For the safety of all students, we ask that families please use either:

- a. the Church of God parking lot
- b. side street parking along Barrera Rd
- c. Side street parking north on Casorso Rd (not on Kiss and Go lane)

2. **Encourage active transportation:**

Our school encourages students to get to and from school in active ways. There are many benefits for students to walk, cycle and roll to school – including physical and mental health benefits, environmental benefits, and traffic safety benefits. We have a parent group who works alongside our PAC to support active transportation for our students.

If you are driving to school, consider “Drive to Five.” You can park your car approximately five minutes away at the Church of God or Rotary Beach and either walk with your child, or allow them to walk independently the rest of the way. Please consider this as an option for this school year. This will help lessen the congestion at our crosswalks near the school increasing student safety.

3. **Kiss and Go lane:**

Our Kiss and Go lane available for those families who would like to drop off their child and remain in their car. We have two areas for Kiss and Go and would like to ask all families to avoid this area for parking. We will have Casorso staff at the crosswalk along Casorso (north) to help with students crossing along the parking lot exit.

Kiss and Go lanes:

North and south of the Parking lot exit on Casorso

No parking allowed in the Kiss and Go lane

Extended Data Collection STP Follow-up Survey & Idling Awareness Campaign

For the school's staff, parents and students.

As part of the School Travel Plan (STP), you may have noticed several infrastructure improvements around the school in the past few years. We appreciate your feedback on the progress made through a follow-up survey. Also, as part of the STP action plan, we would like to bring idling awareness to the school community.

WHAT IS IDLING? *And why does it matter?*

Idling refers to leaving a vehicle's engine running while stationary, such as during drop-offs and pickups. Not only does unnecessary idling waste fuel and contribute to air pollution, but it can also expose our children to harmful pollutants, impacting their health and air quality.

Did you know?

Air pollution is the most important environmental contributor to poor health and premature death

HOW YOU CAN HELP

Here's how you can get involved:

- **Take the Pit Stop Pledge:** Join us by pledging not to idle when your vehicle is stopped for more than 60 seconds – except in traffic. By signing the pledge, you're contributing to cleaner air and giving your child's classroom a chance to win!

Invite friends and family to take the pledge—**September 29, 2024 deadline**. Provide the school's name and your kids' grade. The grade with the highest number of pledges will win a pizza lunch.

- **Participate in the Casorso Follow-up Survey:** Parents and staff, please share your thoughts on the progress. You can win a \$50 gift card. Open until **Sunday, September 29, 2024**.

Visit the **Pollution Pit Stop** page for more information about the harmful impacts of vehicle idling and how you can help make a positive difference in our community.

WHY YOUR PARTICIPATION MATTERS

We need your support to reduce idling and improve air quality around our school. Collectively, small changes can make a big difference. By reducing idling, we can:

- Contribute to healthier air for our children and our community
- Save fuel and money
- Reduce air pollution for a cleaner environment

CENTRAL OKANAGAN OF PUBLIC SCHOOLS – LETTER TO PARENTS

Regarding: PARTNERS FOR INCLUSIVE EDUCATION

PIE Offering Letter to Parents

To all parents and caregivers of SD23,

Welcome to the 2024/2025 school year!

Some of our parents and caregivers may have heard of the group: Partners for Inclusive Education. (PIE) This group focusses on topics and questions as it relates to families and students that require additional support in our schools. This support can be for neurodivergent designations, learning support, medical or physical support, or gifted designations to name a few.

Navigating through the school system, while managing any kind of additional need, diagnosis or designation can be challenging. As a group, PIE provides a space for support, education and opportunities to ask questions. We meet once ever 2 months and use this time to present on topics that would be helpful for parents and discuss topics relevant to families as it relates to designations or diagnoses.

Our hope is to create an environment where parents feel welcome, informed and part of a community within our School District, that share unique challenges.

Please join is for out first meeting of the school year on Tuesday, September 17th, 2024 at 6:30PM. The meeting will be virtual, and we would like to give all parents an opportunity to discuss future topics of interests and what support looks like to them.
