Dear Parents and Guardians,

Please take a moment to complete this survey for a City initiative to improve biking lanes around the city. The data can be used to support more funding for our city. The survey is open until September 29th and **we are looking to have 1000 responses**. We appreciate your support in this initiative. Please see the flyer to enter the survey. STUDENT VERIFICATION SHEETS

Student Verification Forms are being sent home with your child. PLEASE review, make additions or changes, sign, and return to your child's teacher ASAP so that we have current emergency information for your child on file at school.

SCHOOL FEES

School Fees (\$35.00) and Cultural Fees (\$10.00) are now due for the 2024/2025 school year. Please note that the preferred method of payment is online with your credit card or debit card at: <https://centralokanagan.schoolcashonline.com/>

STUDENT ACCIDENT INSURANCE

Central Okanagan Public Schools does not insure expenses for **student injuries** that occur on school grounds or during school activities. Parents and guardians can voluntarily purchase private accident insurance. The Kids Plus Accident Insurance Program that was previously offered to our students was discontinued in 2019. The IA Financial Group now offers the Family Accident Reimbursement Plan (FARP) which is a voluntary plan that provides coverage for students and their families against accidental injury, unexpected medical expenses, and critical illness. To apply for the Family Accident Reimbursement Plan or to find out more, click [here](#).

SCHOOL DISTRICT'S APPEALS PROCESS

Board Policy 460 – Appeals states that, “A student or a parent of a student who is entitled to an educational program in the Central Okanagan Public Schools may appeal a decision of an employee of the Board of Education which significantly affects the education, health or safety of the student”.

For a complete description of the Appeals Policy along with the recommended steps to follow in attempting to solve a problem, please refer to Policy 460 – Appeals, that can be accessed from the ‘Board Policies’ link under the Board of Education heading on the School District homepage – www.sd23.bc.ca.

School District's Financial Hardship Clause

Within Board Regulation 425R – Student Fees (see www.sd23.bc.ca), the Board of Education has indicated "that a student will not be excluded from any educational program due to financial hardship". Clause 8.5 in the Regulations states: "Principals are directed to establish a procedure in each school which will allow for the private and confidential consideration of financial circumstances of individual students and families. Such procedures will preserve the dignity of families who may be unable to pay".

Please contact the school Principal if you are facing a financial hardship that may restrict the ability of your child to access a school program.

REMINDER: CUTLERY FOR LUNCHES

Parents, please remember to pack a spoon/fork with your child's lunch when it is required, as we are unable to provide utensils at school. Thank you!

SCHOOL SPEED ZONES

This is a reminder to parents and drivers in our school community that school speed zones, 30 km/h, are in effect from 7:30 am to 5:00 pm on school days.

Extended Data Collection STP Follow-up Survey & Idling Awareness Campaign

For the school's staff, parents and students.

As part of the School Travel Plan (STP), you may have noticed several infrastructure improvements around the school in the past few years. We appreciate your feedback on the progress made through a follow-up survey. Also, as part of the STP action plan, we would like to bring idling awareness to the school community.

WHAT IS IDLING? *And why does it matter?*

Idling refers to leaving a vehicle's engine running while stationary, such as during drop-offs and pickups. Not only does unnecessary idling waste fuel and contribute to air pollution, but it can also expose our children to harmful pollutants, impacting their health and air quality.

Did you know?

Air pollution is the most important environmental contributor to poor health and premature death

HOW YOU CAN HELP

Here's how you can get involved:

- **Take the Pit Stop Pledge:** Join us by pledging not to idle when your vehicle is stopped for more than 60 seconds – except in traffic. By signing the pledge, you're contributing to cleaner air and giving your child's classroom a chance to win!

Invite friends and family to take the pledge—**September 29, 2024 deadline**. Provide the school's name and your kids' grade. The grade with the highest number of pledges will win a pizza lunch.

- **Participate in the Casorso Follow-up Survey:** Parents and staff, please share your thoughts on the progress. You can win a \$50 gift card. Open until **Sunday, September 29, 2024**.

Visit the **Pollution Pit Stop** page for more information about the harmful impacts of vehicle idling and how you can help make a positive difference in our community.

WHY YOUR PARTICIPATION MATTERS

We need your support to reduce idling and improve air quality around our school. Collectively, small changes can make a big difference. By reducing idling, we can:

- Contribute to healthier air for our children and our community
- Save fuel and money
- Reduce air pollution for a cleaner environment
