🌳 🌼 EXCITING THINGS ARE GROWING AT CASORSO! 🌼 🌳

Dear Parents and Guardians,

We are excited to share some wonderful improvements coming to our **Casorso school grounds!** These enhancements will create more opportunities for our students to learn, play and connect with nature.

💚 A HUGE THANK YOU!

Last year, we received a **$10,000 Tree Canada grant** to help add trees and shrubs to our school grounds. Our incredible **Casorso PAC has also contributed over $55,000 in the past five years** toward improving our grounds and creating an outdoor classroom.

We are so grateful for their ongoing generosity and support!

With School Board approval and input from our PAC, parents, students and staff, here is what's coming:

🪴 1. PRIMARY MUD KITCHEN & RAISED GARDEN

Our kindergarten sandpit area will be getting a fun new mud kitchen for imaginative outdoor play, along with a raised garden for classroom activities.

🚲 2. NEW BIKE RACKS

New bike racks will be installed at the front of the school, offering better visibility from school windows and security cameras.

🌳 3. OUTDOOR CLASSROOM & TREE PLANTING

The back area of the school will be transformed into an outdoor classroom featuring trees, shrubs, flowers, benches and tables. Soccer goalposts will also be moved to the main field to create more playing space, with additional trees planted along the condo fence.

🌎 GROWING TOGETHER!

These exciting changes will provide wonderful spaces for students to learn, explore and enjoy the outdoors.We look forward to celebrating the completed outdoor classroom with our school community. **Stay tuned for details!**

A BIG THANK YOU to our PAC, Tree Canada, the School District and everyone helping bring this vision to life!

Warmly,
Casorso Elementary School 💚 🐺

Our Multicultural Fair was a huge success. Thanks to everyone making it a great day !
